It's time for Summer Averaging on Your Sewer Bill!

Your Newburgh Sewer Utility will soon begin the summer averaging program. This program helps lower the cost of your sewer bill during the summer months when you are watering flowers, lawns and filling your swimming pool. Utility Commissioner and Council member Leanna K. Hughes is proud to share that the Town of Newburgh is the only utility in the area that offers this program!

Here's how Summer Averaging works. We add your water consumption amounts from November 2015 to April 2016 (months when water usage is typically lower) then divide by six (6). This average will be used to calculate your sewer bill during the months of May, June, July, August and September. If your actual consumption is less than the average during these months, you will be charged the lesser amount.

If you have not lived in your home for four (4) months, you will not be able to participate in the program and your bill will be based on actual water usage. The Town's minimum charge is based on water consumption of 3,000 gallons.

If you have any questions, please feel free to contact the Newburgh Utility Office at 812.853.7496.

Pool Opens May 28th

Newburgh Community Pool season begins on Saturday, May 28th! Pool staff is hired and the season preparation has begun. Admission for persons ages 16-24 has been **reduced** to \$5.00 for the 2016 season. Park Commissioner and Council member Stacie Krieger is looking forward to a great season!

Season pass registration forms are included in this newsletter and may be delivered to Town Hall in person or by mail to: Town Hall, ATTN: Administrative Assistant, P.O. Box 6, Newburgh, IN 47629. Family Passes will be mailed to homes.

YOU are the Solution to Storm Water Pollution!

Stop into Town Hall to check out the Storm Water Pollution display.

Storm Water Commissioner and Council member Bill Kavanaugh believes that education is the key to preventing Storm Water pollution!

Trail Side Restrooms

The restroom facilities along the Rivertown Trail are now open for the 2016 season. The facilities will be closed again as soon as the threat of freezing returns in the fall.

Rivertown Trail Liaison and Council member Tonya R. McGuire asks that you please report any issues with function or cleanliness to Town Hall at 812.853.1720.

Pot Holes

Winter appears to have come to an end! Street Commissioner and Council member Anne Rust Aurand reminds you that with spring comes Pothole Repair Season. If you spot any potholes please report them to Town Hall at 812.853.1720 so the Street Department can take care of them .

Storm Water Public Knowledge Survey

The following two pages in this newsletter are a public survey being conducted as part of the Town of Newburgh's MS4 program.

MS4 stands for Municipal Separate Storm Sewer System. MS4 refers to conveyance or system of conveyances (including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, man-made channels, and storm drains) which is owned or operated by a state, city, town, county, district, association, or other public body (created by or pursuant to state law).

Please take a moment to complete the survey on the following pages and send it to Town Hall Attn: MS4 via mail to P.O. Box 6, Newburgh, IN, 47629 or deliver it by hand to Town Hall at 23 W. Jennings St. You may also take the survey online at www.newburgh-in.gov or on the Town of Newburgh's Facebook Page.

Storm Water Pollution Public Knowledge Survey

Storm Water is water from rain or melting snow that does not soak into the ground.

Please help your community by answering the following questions about Storm Water in the Town of Newburgh. Completed surveys can be returned to Town Hall, located at 23 W Jennings Street, or by mail to P.O. Box 6, Newburgh, IN 47629. The survey is also available on the Town of Newburgh website, www.newburgh-in.gov, and on the Town of Newburgh's Facebook page. If you have any questions regarding this survey, please feel free to contact the Town of Newburgh at 812-853-1720.
